Klamath and Six Rivers National Forests Announce Internet Vehicle and Equipment Sale

Yreka, CA –The U.S. Forest Service will be selling surplus vehicles and equipment by public Internet auction. The Klamath and Six Rivers National Forest will be selling 78 items, including trucks, grader, backhoe, and miscellaneous equipment, to the highest Internet bidder. Beginning February 22nd, 2010, and ending on March 1, 2010, bid items will be available on the GSA website: www.gsaauctions.gov. Nothing will be available to the public until this date.

On the GSA website, type in sale number 91QSCI-10-142 in the “Enter Search Text” box. Only Forest Service items will be displayed. With each item of this search there is an assigned number, description, photos(s), and a contact name and number if further inquiry is needed.

Bidders are cautioned to be sure to view the ‘Terms and Conditions’ (in the blue tool bar at the top of the page), for all requirements regarding registering, bidding, payment, warranties, and removal of successfully bid items.

Internet sale vehicles and equipment are available for public viewing from 9 a.m. to 3 p.m. daily starting Monday, February 22nd (excluding the weekend) through Monday, March 1st. Following are the Forest viewing sites and contact information:
